Kawa-shima did another one of us in.
W-what happened?
I don't understand his reasons.

ホテルマーベラス池袋
Oi, hold on there.

But, that guy wasn't there.
In Shibuya, you also didn't understand his reasons, and you were slugged.

Hata yama
Everyone rather distrusts Kawashima, it seems.

Ku ku ku ...
.....

.....

You didn't forget or some-thing?
In Shibuya's hotel district, when he snapped... something about trust, or something.

What did you talk about that time with Kawa-shima?
Ahn?

.....

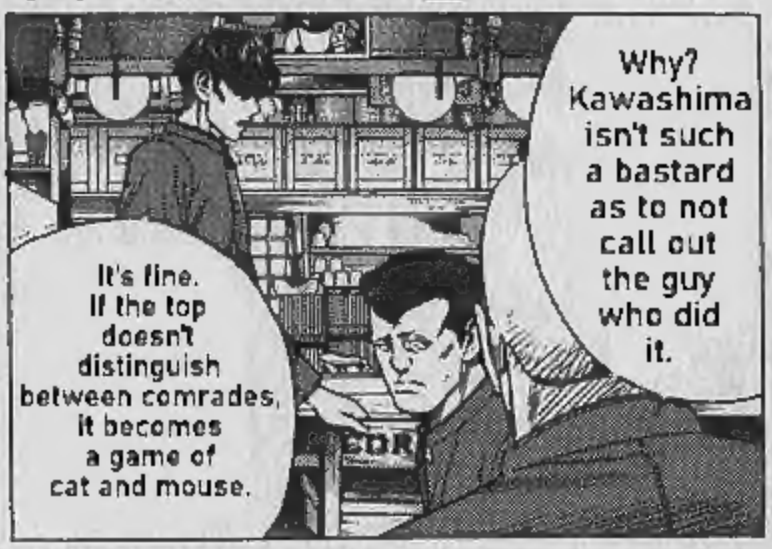
.....

It was nothing.

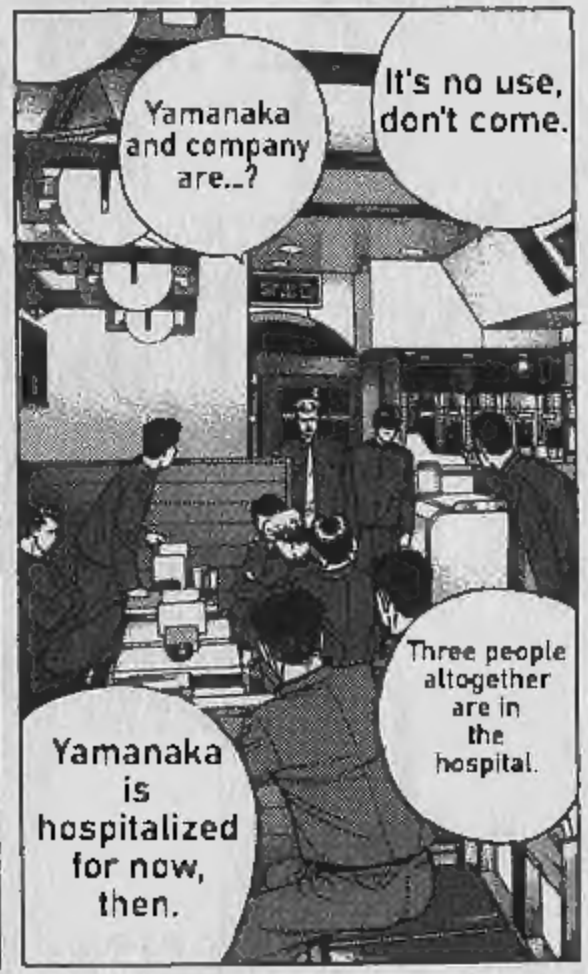
Shit...

.....

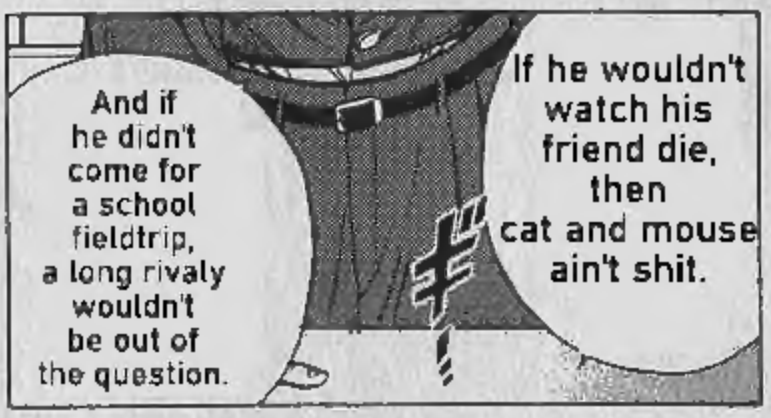
What happ-ened?
Kasai!



Why? Kawashima isn't such a bastard as to not call out the guy who did it.
It's fine. If the top doesn't distinguish between comrades, it becomes a game of cat and mouse.



Yamanaka and company are...?
It's no use, don't come.
Three people altogether are in the hospital.
Yamanaka is hospitalized for now, then.



If he wouldn't watch his friend die, then cat and mouse ain't shit.
And if he didn't come for a school fieldtrip, a long rivaly wouldn't be out of the question.

Rin...

Fu-

A hostage hasn't fallen into their hands!
Kasai's withdrawn, right? Then this time, I'll go in alone.

Oh! That's right! I was forgetting!
Where?
Just a minute ago... I told Hatayama...
You told Hata yama???

The blood's almost dried up.
Don't worry and lie down.

Ma... Masahito was caught...
If you don't go quickly...

I- I don't know!
B-but what in the world could the reason be to fight with someone like a guy from Ikebukuro?

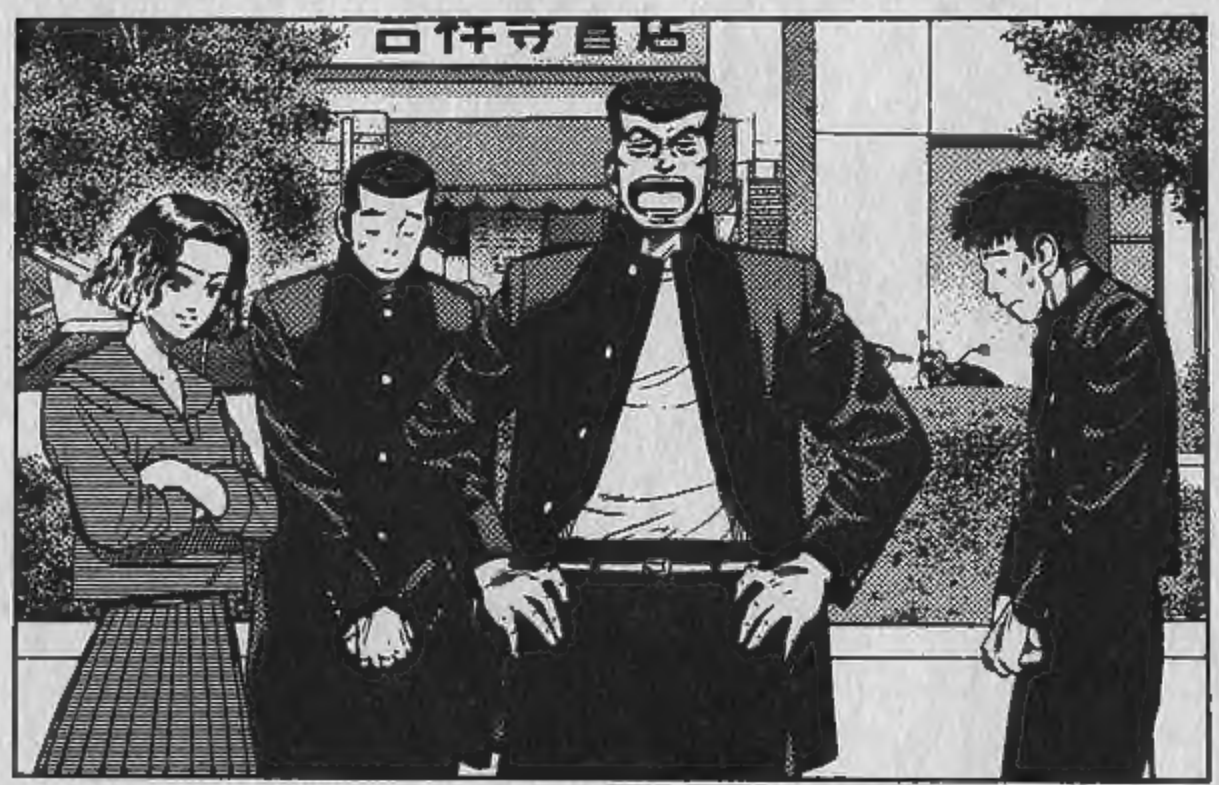
Don't interrupt me!

There's no way... He went by himself to help...
You retard! Is he that kind of guy?

う…

ジャ!

!



Kawashima doesn't care. He'll watch you die.
T-there's no way Hatayama would be the one to rescue me...
Can you stand?

.....

Ha-
Hata
yama...

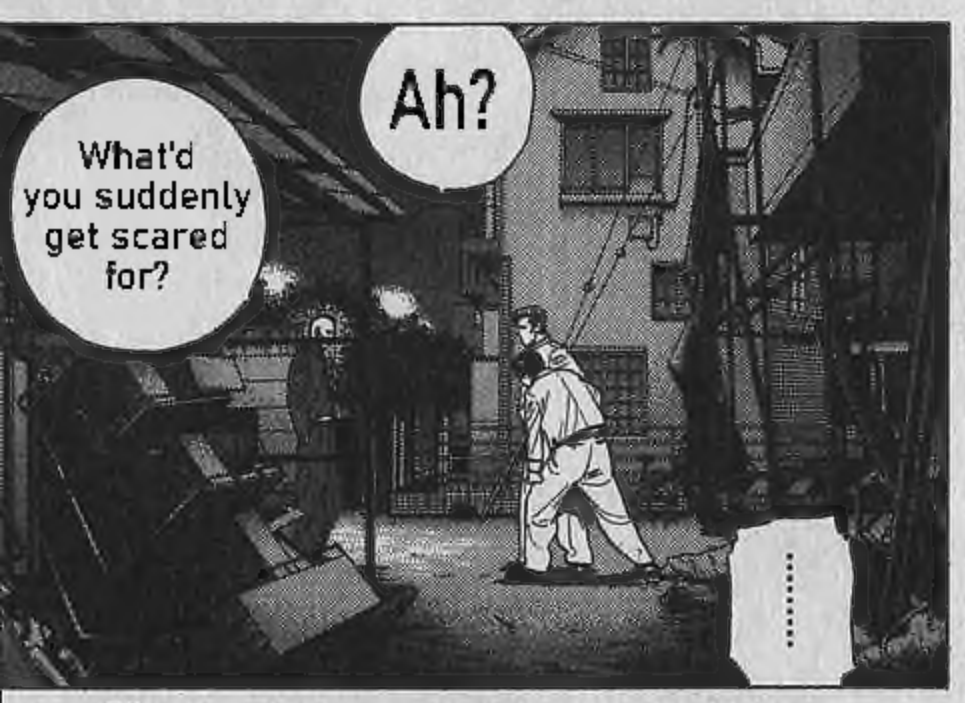
It's not worth it without at least three people total.
Just one more.

Finally, someone came.
!

Tsch- I thought nobody would interrupt me.
Fu-
You're gonna fight me alone?

You wouldn't know who did our guys in, would you?

!



Ah?
What'd you suddenly get scared for?
.....

!

Ah?
.....
?

.....

Eh?
W-wait. Let me tell you something.

.....

T-they let them go... Why..?

Um...

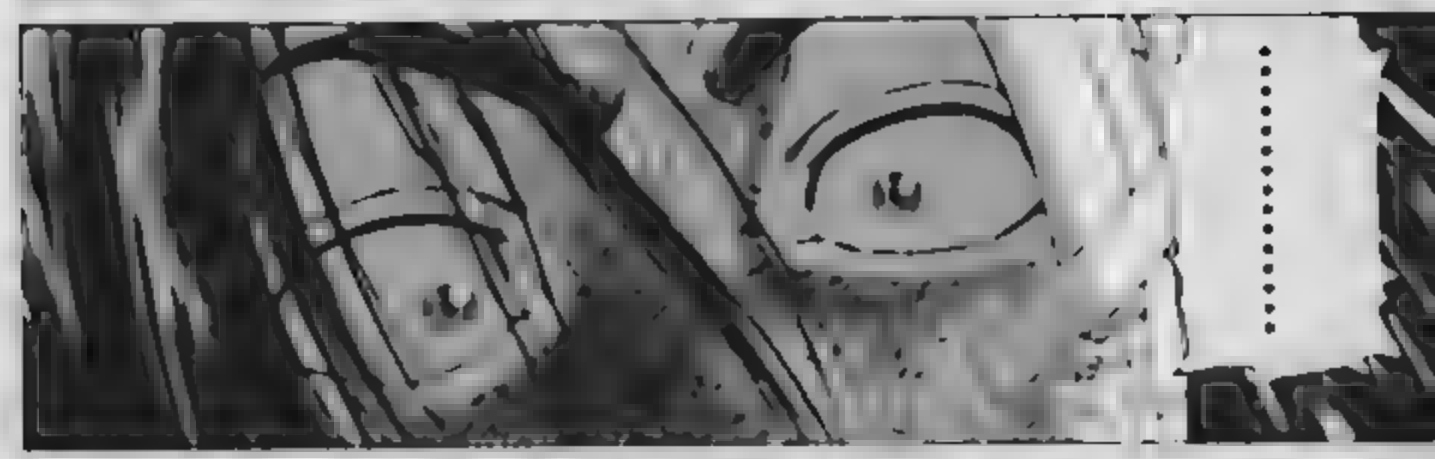
Wh-
Let's go.

You, why'd you let them escape?
You thought up our agreement on your own!

Hahaha!
Why are you guys here???
A ha ha ha ha ha!

Leave me alone, Benzou!
Then why were you acting so big? Why'd you get scared?
Shut up! I let them go!

!!
The perpetrator is here!

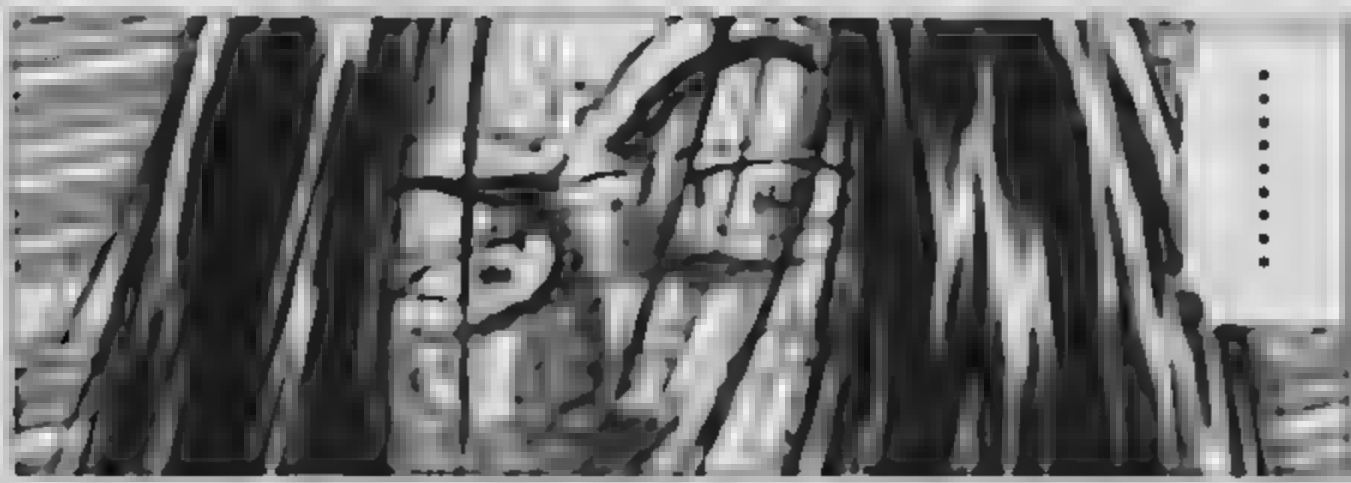


.....

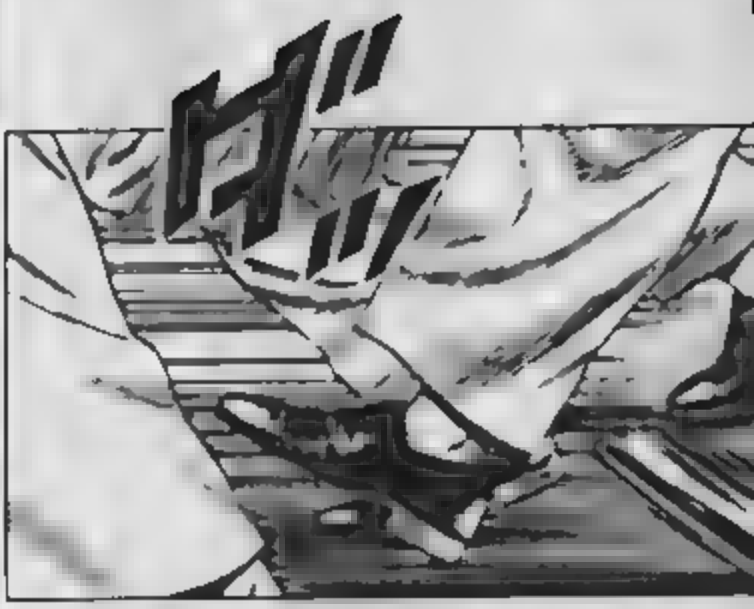
I understand that idiot
Ho Th s s the guy that did our guys in
I- I don't know anything!
Wha-

What does he make of his friends?

Kawashima coming out.



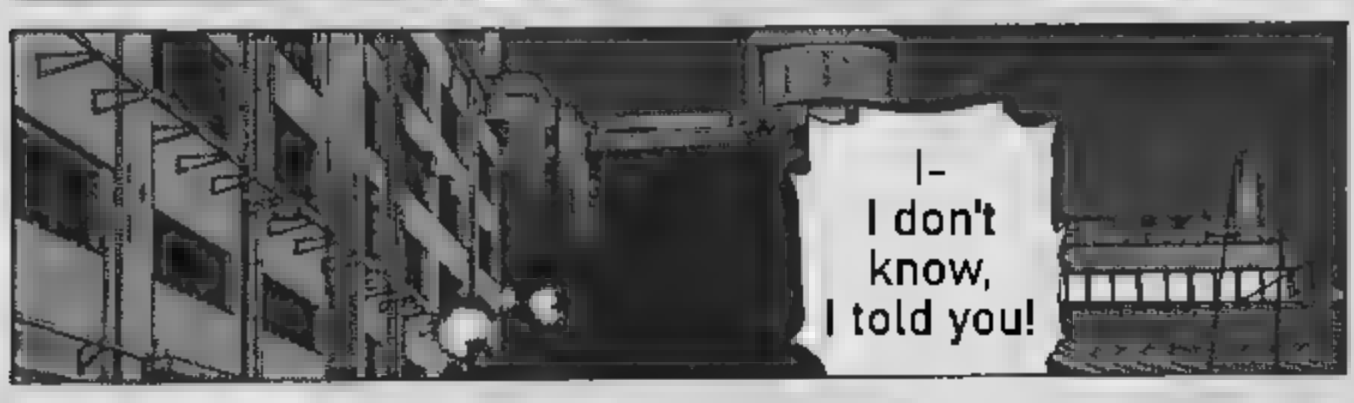
Masa hito!
Ha... Hatayama!

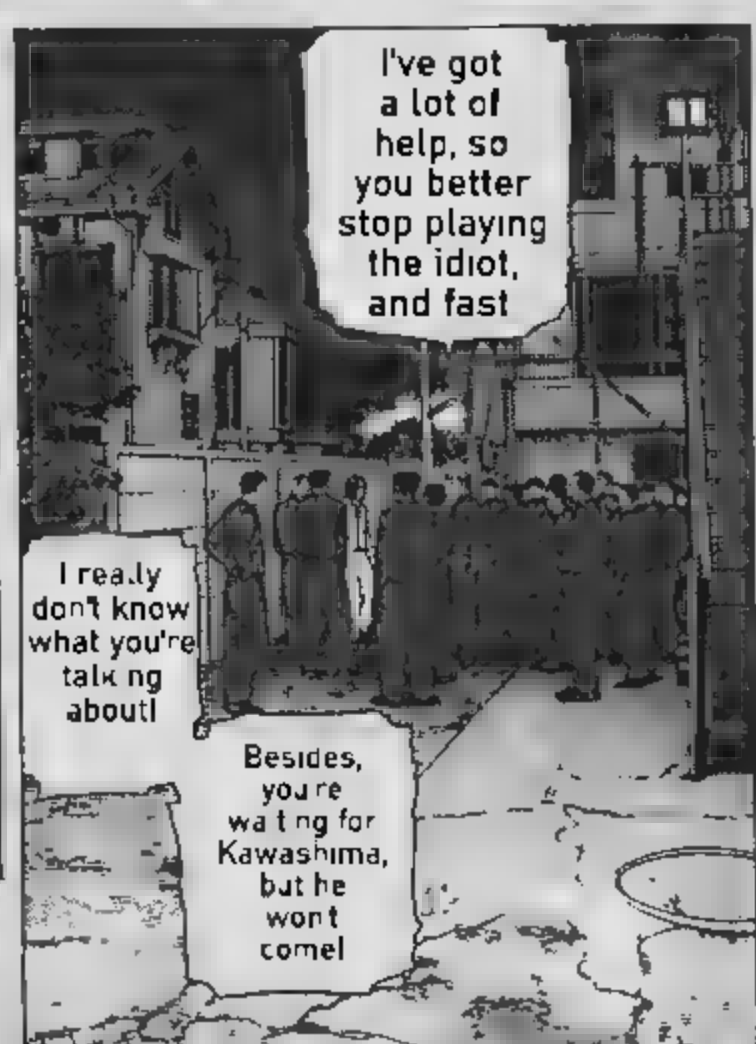


Ah!

It's all good now. I don't know what happened to the other side's guys, but they let us go.
I went as soon as I heard the location
Ha. . Hata-yama, you...
By your self, you ....

Hata yama...
.....

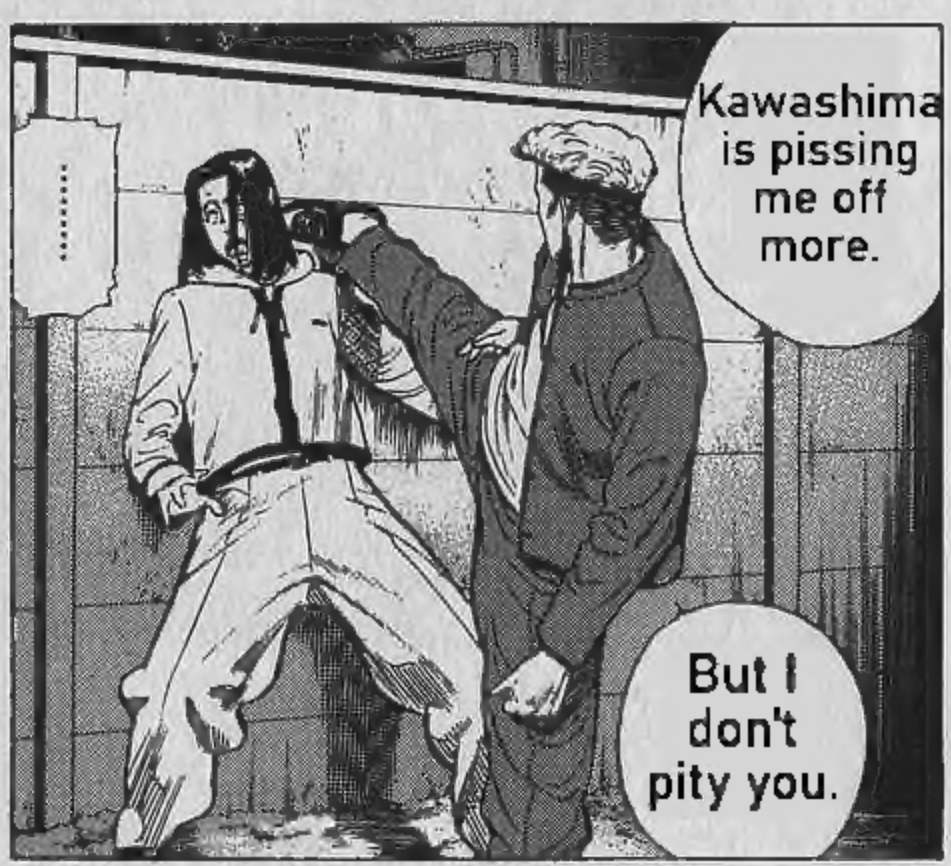




I STARTED TO FEEL REALLY BAD FOR THIS GUY
BUT THEN I REMEMBERED HOW HE TREATED CHIAKI

ナッ

And when I'm done, you'll be gasping like a fish.
I'm about to lose my head.

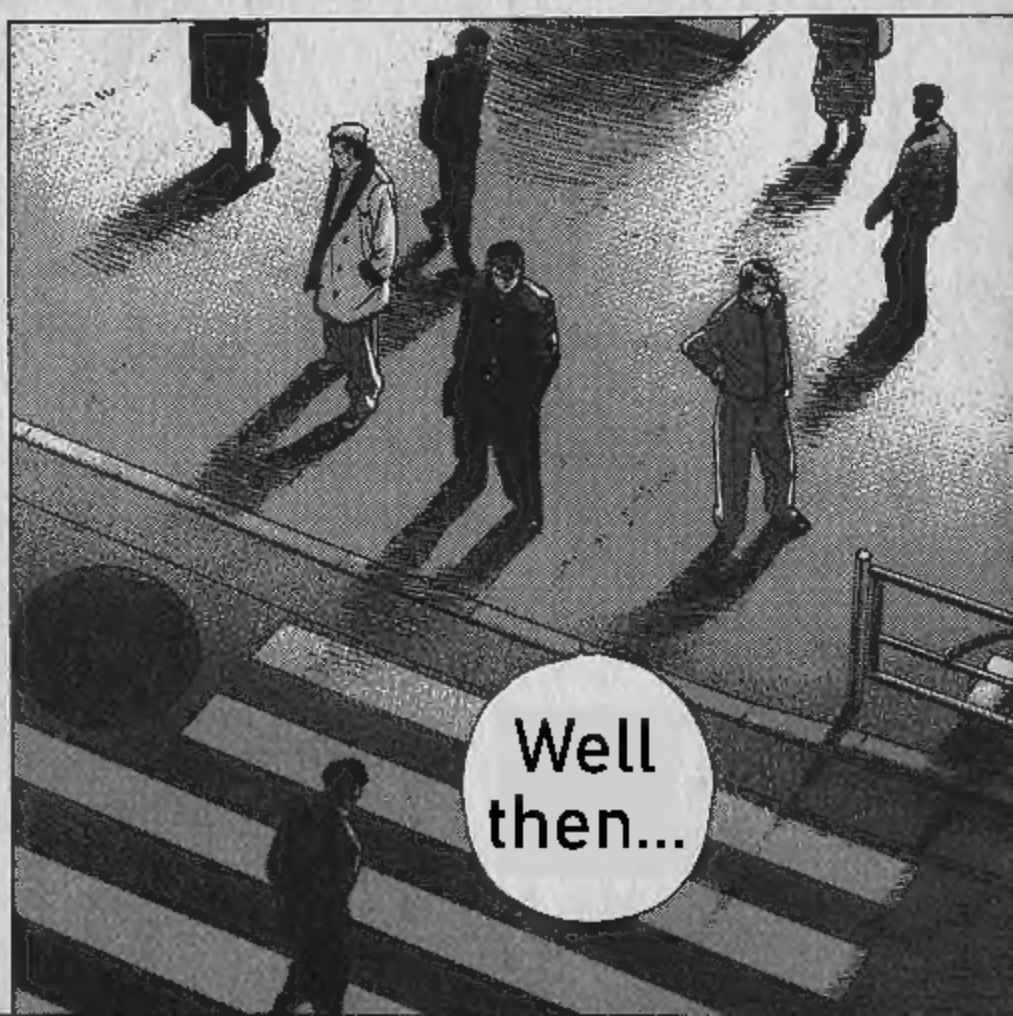


.....
Kawashima is pissing me off more.
But I don't pity you.

Tsch- I just remembered. His face is flashing before me.

Kakaka... If he's the one saying it, it'll happen.
Kasai...

.....



Well then...

It seems my objective has changed.
I came, but that might have been a mistake.

……
What's up?

Ah?
